

Year 2 and Year 6 took part in the Evacuation Experience with Great Western Railway. It was acclaimed as a brilliant day for all, adults and children alike.

Year 2 also thought about how different fabrics are constructed, and tried their hand at knitting and weaving, linking this in with their World War II studies about Make Do and Mend - making new items from old. The children's handiwork was made into bookmarks for their History books.

Year 2 the tried try out a World War II recipe using rationed ingredients which linked their learning with maths using weighing and reading scales.
