Congratulations

A huge congratulations to our top school reporter, Erin Harper! At the Mock Trials earlier this year, several primary schools battled it out in a court of law. We are delighted that one of our children won the overall 'Reporter's Prize'. This was presented by a Magistrate and the Assistant Editor of Stroud News & Journal. A truly fantastic achievement, well done!

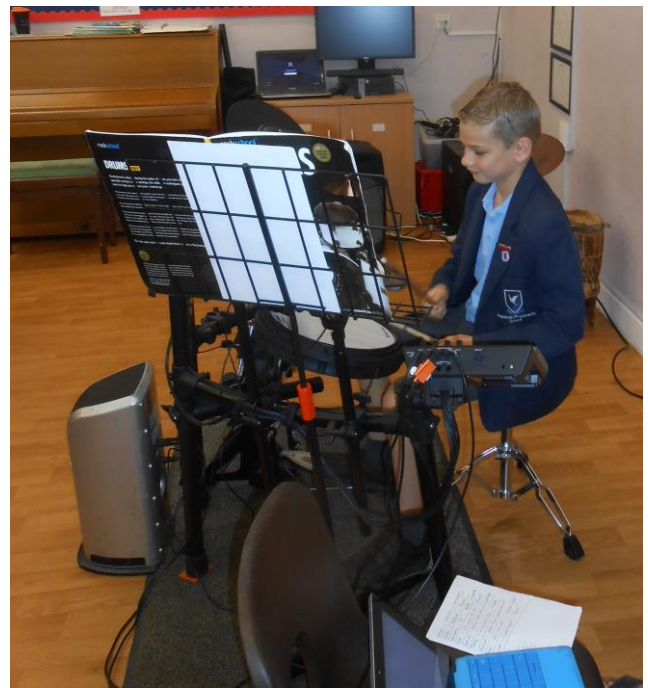

Journalism

This week we were visited by the Assistant Editor, Tamash Lal, from the Stroud News & Journal. He gave a fascinating insight into the career of journalism.

Drum Concert

Wow! Amazing talent at the drum concert this week! Well done to everyone who took part and thank you to everyone who came to watch.

Sport

The children have been enjoying going up to the sports field for their PE lessons this week.

Year 2

Making the most of the intermittent sunshine, Year 2 have been putting into practice what they learned in their first DT lesson about pulleys.

Their ultimate mission will be to design a pulley to get The Lighthouse Keeper's Lunch to the top of his lighthouse across a raging sea...or at least the playground!

Stonehouse Parkrun – Friends of Hopelands

Don't forget that next Sunday (9th June) Hopelands is taking over the Stonehouse Parkrun! Starting at 9 at the recreation ground on Oldends Lane, the students run a 3-lap 2k course. There are several students who already take part in this weekly event, but it would be great if as many as possible could come for this special one!

Remember that it is just meant to be about getting fit and having fun; students can run in groups or with parents (although parents won't be timed) or they can go all out for a super-fast time!

There is free parking, a café where we will be selling ice-lollies, bacon-butties, cakes and teas and coffees afterwards, a fantastic play park for the kids and it's free to take part!

The best thing to do is to register at <https://www.parkrun.org.uk/stonehouse/> - we have attached a help sheet to guide you through this easy process. However, kids can just turn up and run if they wish to without registering, but they won't receive a time!

If we can aim to meet there at about 8.45 then we can get a photo before the main event!

Hope to see you there!

Friends of Hopelands

Thank you to Jo Stevenson who came in on Friday to talk to the children about the Park Run. They had great fun playing the role of timekeeper, marshal, barcode scanner, race director and the very important tail runner!
