Happy Valentine's Day!

Year 2 made some beautiful cards for each other to celebrate Valentine's Day. Inside each card were reasons why they like that person. These ranged from 'I like your smile' to 'You are a good dancer'!

Forest School

Reception, Year 1 and Year 2 spent a fun filled day at Forest School this week, they especially enjoying pretending to be a spider caught in a web!

Year 3 Trip

Year 3 had an exciting day out at We The Curious in Bristol. They spent the morning working on their science topic which is forces and magnets. In the afternoon they visited the Planetarium to watch a stargazing show. The children returned tired and happy and extremely delighted with their goody bags.
