Global Awareness Week

Wow! What an amazing fun week! The whole school have been busy learning about Scandinavia and the Nordic Countries. On Wednesday the children were split into different mixed age groups and took part in several different activity workshops. This included wildlife photography, Viking hat making, constructing glaciers, star gazing, making troll masks, cooking Swedish biscuits and hand ball! Thank you to all the teaching staff who worked together to make this such a fun and informative week.

Global Awareness Week – Aurora Pictures

Mrs Sands worked with the children to produce some beautiful aurora borealis pictures. Using pastels and paint they created stunning images.

Primary Maths Challenge

Our specialist teachers in maths encourage children to be independent, creative thinkers and problem solvers. Maths investigations and fun quizzes are included regularly during lessons. In the recent Primary Maths Challenge we had the amazing result that 4 of our Year 6 qualified through to the bonus round. From this round they achieved 2 bronze awards and 1 silver award, a fantastic result. Well done to everyone who took part.

Iranian New Year – Nowruz

Max and Hannah Safizadeh treated us to a very enjoyable and informative assembly on the subject of the Persian New Year. Well done! We all learned a tremendous amount and were thrilled to celebrate your culture and New Year!

National Cross-Country Championships

Tomorrow Amy and Francis are running in the National Cross-Country Championships, representing Gloucestershire. This is an amazing achievement as it means the county has recognised them as one of the top ten athletes in Gloucestershire for their age group.

To be selected for these Championships they recently competed in the Gloucestershire District Cross Country, (pictured below) Amy finished 6th and Francis finished 7th.

We wish you all the best of luck for tomorrow, it sounds like it will be a fantastic experience and we look forward to hearing all about it on Monday.
