Sporting Success

A huge congratulations to all the children who took part in the recent district sports events. The first event was jumping and throwing which was held on an incredibly wet Tuesday afternoon. This week they held the track events at Stratford Court. All the children were simply amazing! The heats were fiercely fought, we had great results with 10 of our children getting through to the sprint finals which led to 3 winners! There were also fantastic results from our relay teams with both the junior and senior girls team coming first in their finals. Over the whole competition Hopelands achieved 3rd place in the Stroud and District Primary Sports which is fantastic. Well done to all the children and thank you to everyone who came and supported, especially to Mrs Jones who was instrumental in coaching the children on the start line!

French Breakfast

Class 1 and Class 2 held a French breakfast café this week. Coffee, croissants, pain au chocolat were all thoroughly enjoyed by both the children and their families. The children sang songs and taught their families how to order their food in French before sitting down to enjoy a French breakfast together.
