Hopelands Fete

Friends of Hopelands put on a fantastic Fete last Friday. Homemade cakes, music, games and even a hen! Everyone had a fantastic time and it was a great way to end the week. A huge thank you to Friends of Hopelands and everyone who worked so hard to make this such a success. A special mention has to go the brave Mr Stratford and Mrs Lord who raised the most money by being constantly hit with wet sponges – you are both fantastic sports and all the children said that this was their favourite activity!

Make A Wish

Thank you to everyone for contributing to mufti day this week. All the money raised will make a huge difference to Aubree whose wish is to go on holiday to the lake district with her family.

Some of the Year 5 children are also planning on spending 36 hours in the wild during the summer to raise money. This is fantastic and we look forward to hearing about how you get on. Message from Mr Stratford

Just a few words to say thank you for making me feel so welcome from day one in this special school and for all your kind words over the past months. I am going to miss everyone from the amazing children, staff and parents that have made my experience here so enjoyable.

I wish everyone, especially the children, every success for the future and encourage them to follow their dreams no matter how big as they are all exceptionally talented in their own way. I hope to see many of the Hopelands family around and will be in contact with the school to show my face every once in a while.

Lastly, I am overwhelmed with the generosity, the gifts that I received won't last long but will bring an even bigger smile to my face and fill my heart with fond memories when they are being consumed. Big love to everyone who I have had the pleasure of meeting.

Luke Stratford
