Class 1 - Handwashing

Class One looked at how easily germs can spread and why it is so important that we wash our hands thoroughly. After the class teacher 'sneezed' glitter into her hand the boys and girls were shocked by how quickly the glitter/germs spread. After washing our hands thoroughly, many of the children noticed they STILL had glitter on their hands and some glitter had made its way to their faces too!

Class 1 - Handwashing

Song sheet | Health and Physical Development | Looking after me

Wash, wash, wash your hands

(to tune of Row, row, row your boat)

Wash, wash, wash your hands

Wash them nice
and clean

Wash the backs
and wash the
palms

And fingers in between.

Dry, dry, dry your hands

Dry the water off

Now you've made them nice
and clean

And feeling
really soft.

Litter Picking – a note from Mrs Smart, Jack & Hollys Mum

There will be a litter pick taking place in Stonehouse on **Sunday 15th March at 2pm** at the Pod in Oldends Lane.

Litter picking until 3.30pm and then tea and cakes after!

All equipment is provided but if you prefer to wear gardening gloves as opposed to plastic ones, please bring your own.

Would be great if as many people could come along to help.

Global Awareness

This week it has been Global Awareness week where all the children have been exploring everything to do with North America. From learning about the heritage of Indians to listening to the sounds of the blues in music, the children have had a fantastic enriching experience.

Here are Class 1 panning for gold. When explorers first discovered the 'New World' it was very exciting as the land was believed to be rich with gold.

During Thursday several workshops were held. The children were split into teams across year groups and the workshops were:

Dreamcatchers

Headband making

Tepee making

Totem poles

American flag

Cookery

Quilting
