The Stone Age

Year 3 have had lots of fun this week as they have been making axes to help them survive the Stone Age!

They went out and tried them in the garden to see if they could cut down trees or catch some prey...

Cross Country

The sun shone on a fantastic evening at Cross Country this week. Amazing team spirit between the children. They were hard fought races and we had some great results. A huge thank you to Mrs Lord and all our parent helpers, we are very lucky to have you.

Sukkot

In their RE lesson, Year 3 learned about the Jewish festival of Sukkot, when the Jewish community celebrates Moses helping the Hebrew slaves escape from Egypt. They transformed the willow den into a Sukkah.

Forest School

On 1st October YR/1/2 enjoyed their first Forest School of this academic year. The weather was beautiful, and they were able to study closely the autumnal changes in their surroundings at Ernest Cook's Redwood Site close to Slimbridge. Our thanks to Hannah's and Rowan's mums for coming along, while the children made autumn pictures and used rustic visualisers to help them focus on the beauty around them.
