**MRS BARBARA SANDS
HEAD of YEAR 2,
HEAD OF RE & PSHE**

After a successful career as Director of a multi-national engineering company, Mrs Sands lived in the USA for four years with her young family. Upon her return to the UK, she gained First Class Honours in English & Education and qualified to teach in 2005. With 12 years' experience teaching Years One and Two as well as being Head of Pre-Prep in a South Glos Preparatory School and teaching in an outstanding state primary school, she joined Hopelands in 2012.

Following the publication of several articles in their Primary History Journal about outstanding classroom practice, Mrs Sands was appointed to the Historical Association's Primary History Committee for several years and consulted on the 2014 History curriculum for primary schools, in addition to representing the independent and primary sectors on a televised panel headed by Simon Sharma. Lately, Mrs Sands has been education consultant for a TV company, making primary school history clips for the BBC, which Hopelands' Y6 road-tested and critiqued in early 2017.

Mrs Sands has two grown up children and a husband of 33 years. Her hobbies include pilates, swimming, gardening, painting, sewing, reading, travel and enjoying a G&T while watching a good murder mystery on TV.

MEASLES !

Public Health England (PHE) is aware of three confirmed and six probable cases of measles in two Gloucestershire schools. Please read the notice attached with this newsletter.

NO PENS DAY WEDNESDAY

For No Pens Day Wednesday, Year 2 continued their studies about being a Child in WW2 by making replica Anderson Shelters, and pretty impressive they are too!

For No Pens Day Wednesday, Year 2 continued their studies about being a Child in WW2 by making replica Anderson Shelters, and pretty impressive they are too! Daniel and Toby decided to plant vegetables over the top of theirs to help Dig for Victory.

Harry and Noah's corrugated iron Anderson shelter was covered in soil and grass and the boys planted seeds ready to help with rationing.

Vandamai, Lucia and Holly camouflaged their shelter at the bottom of their garden and added sand bags for additional protection against bombs.

The children also enjoyed a Q&A session with Maisie's Tomlinson's grandma about her experiences during the war - she was paying a visit to the classroom, noticed the Anderson shelters and began to tell the children what it had been like as a little girl living in Chester, with Luftwaffe aeroplanes flying over on their way to bomb Liverpool.

SAY CHEESE!

Individual (and with siblings) School Photos.
Wednesday 18th October.
Just in time for Christmas !

PLEASE NOTE: Winter Uniform is to be worn, not summer.

Dear Parents,

Your child should have brought home the 30 day challenge form to Eat a Rainbow during October. If you require a new copy, please let me know.

Good luck!

Mrs Sands

**WE ARE

CANCER SUPPORT**

A big 'Thank you' to the wonderful bakers and those who donated money at our sales. From your generosity we raised £230! We had great fun manning the stalls and serving up cake too...

Farewell to Mrs Newport

Mrs Newport, our After-School Supervisor, will be moving to (greener) pastures new as she relocates to Northern Ireland next month. We wish her all the best for her exciting new venture.

She has a 4 year old Siemens dishwasher for sale – 8 place settings - £200. Let the office know if you're interested!

MR GRUMPY IN YEAR 2

Year Two made masks and performed their retelling of Mr Gumpy's Outing for Mrs Thomas and Class One before sequencing the story in their books using photos of their performance, and writing their own retelling alongside.

SPORTS NOTICE BOARD

What a busy start to the Sporting Year. Year 3 and Year 6 are having lessons with 'The Park' Junior School. This new venture will allow them to enjoy some extra-school social interaction and enable them to try out new facilities.

The first cross country race of the season saw 4 of our 6 girl runners coming in the top 20 out of the total of 76. In the boys competition, out of 122, Francis Stuart –, Menteth came 27th with the other Hopelands boys also putting in a good show. A special thank you goes to all those first time runners especially Max Safizadeh for his amazing achievement.

All the children gained so much. They had fun, a huge rush of adrenalin, and are all looking forward to the next race.

But not all sport is taken quite so seriously at Hopelands....

Star jumps with a twist

Can you see me?

Grounded!

30 Club

If you'd like to join this year's 30 (or however many it turns out to be!) Club, please let me know. Cost is £10 for the year (10 draws) and you can buy as many numbers as you wish. Staff, parents, grandparents and other family members over the age of 18 are all very welcome to purchase numbers. Half of the money goes to FOH, the other half is used as prizes for 1st, 2nd and 3rd each month (October to July). This means the more people who join, the bigger the cash prizes! Cash in labelled envelopes or cheques payable to Friends of Hopelands please.

Old pound coins

We are getting a LOT of these in as cash payments at the moment! Please remember that the old coins go out of circulation next weekend, so FOH will not be able to accept any after next Friday.
