Year 3

A huge thank you to Mrs How who came in to talk about her role as a Physiotherapist this week. The children really enjoyed hearing about all the different bones inside the human body, how they function, the different muscular development and how we should look after them.

Mock Trials

Year 6 went to Ebley House this week to take part in mock trials. They were given a case beforehand and spent some time understanding the proceedings and acting it out. For the first time we fielded two teams and they competed against two other local schools. They both gave an excellent account of themselves, and our defence team won their case. The Prosecution team lost their case by a slither of doubt!

Comic Relief

Lots of noses, crazy hair and a sea of children in red! Thank you to all the parents who contributed to make this such a fun day. The children in Year 3 were set a challenge of how they would use their money to make a difference for Comic Relief. They were fascinated to learn that just £1 could pay for 40 people in Sierra Leone to attend a session to learn about mental illness and epilepsy, and that £5 could help pay for a medical checkup for a child living in the streets of Uganda. An amazing total of **£158.15** was raised, thank you!
