## **Hopelands School COVID-19 school closure arrangements for Safeguarding and Child Protection**

**School Name:** Hopelands Preparatory School  
**Policy owner:** Headteacher, Mrs Sheila Bradburn  
**Date:** 6<sup>th</sup> April 2020  
**Date agreed with Governing Board:** 9<sup>th</sup> April 2020  
**Date shared with staff:** 15<sup>th</sup> April 2020

### **Context**

From 20th March 2020 parents were asked to keep their children at home, wherever possible, and for schools to remain open only for those children of workers critical to the COVID-19 response - who absolutely need to attend.

Schools and all childcare providers were asked to provide care for a limited number of children - children who are vulnerable, and children whose parents are critical to the COVID-19 response and cannot be safely cared for at home.

This addendum of Hopelands School's Safeguarding policy contains details of our individual safeguarding arrangements in the following areas:

- 1 Key Contacts**
- 2 Vulnerable children**
- 3 Attendance monitoring**
- 4 Designated Safeguarding Lead**
- 5 Reporting a concern**
- 6 Safeguarding Training and Induction**
- 7 Safer recruitment/volunteers and movement of staff**
- 8 Online safety in schools and colleges**
- 9 Children and online safety away from school and college**
- 10 Supporting children not in school**
- 11 Supporting children in school**
- 12 Peer on Peer Abuse**

## 2 Vulnerable children

Vulnerable children include those who have a social worker and those children and young people up to the age of 25 with education, health and care (EHC) plans. Those who have a social worker include children who have a Child Protection Plan and those who are looked after by the Local Authority. A child may also be deemed to be vulnerable if they have been assessed as being in need or otherwise meet the definition in section 17 of the Children Act 1989.

Those with an EHC plan will be risk-assessed in consultation with the Local Authority and parents, to decide whether they need to continue to be offered a school or college place in order to meet their needs, or whether they can safely have their needs met at home. This could include, if necessary, carers, therapists or clinicians visiting the home to provide any essential services. Many children and young people with EHC plans can safely remain at home.

Senior leaders, especially the Designated Safeguarding Lead (and deputy) know who our most vulnerable children are. They have the flexibility to offer a place to those on the edge of receiving children's social care support.

Hopelands School will continue to work with and support children's social workers to help protect vulnerable children. This includes working with and supporting children's social workers and the local authority virtual school head (VSH) for looked-after and previously looked-after children.

The lead person for this will be: **Mrs Sheila Bradburn**

There is an expectation that vulnerable children who have a social worker will attend an education setting, so long as they do not have underlying health conditions that put them at risk. In circumstances where a parent does not want to bring their child to an education setting, and their child is considered vulnerable, the social worker and Hopelands School will explore the reasons for this directly with the parent.

Where parents are concerned about the risk of the child contracting COVID19, Hopelands School or the social worker will talk through these anxieties with the parent/carer following the advice set out by Public Health England.

### **3 Attendance monitoring**

Local authorities and education settings do not need to complete their usual day-today attendance processes to follow up on non-attendance.

Hopelands School will follow up with any parent or carer who has arranged care for their child(ren) and the child(ren) subsequently do not attend.

To support the above, Hopelands School, when communicating with parents/carers and carers, confirm emergency contact numbers are correct and ask for any additional emergency contact numbers where they are available.

In all circumstances where a vulnerable child does not take up their place at school, or discontinues, Hopelands School will notify their social worker.

### **4 Designated Safeguarding Lead**

Hopelands School school has a Designated Safeguarding Lead (DSL) and one Deputy DSL's  
The Designated Safeguarding Lead is: Mrs Sheila Bradburn

The Deputy Designated Safeguarding Leads is: Mrs Sonja Jones.

The optimal scenario is to have a trained DSL (or deputy) available on site. Where this is not the case a trained DSL (or deputy) will be available to be contacted via the School Office - for example when working from home.

It is important that all Hopelands School staff and volunteers have access to a trained DSL (or deputy). The staff are made aware of that person and how to speak to them. The DSL will continue to engage with social workers, and attend all multi-agency meetings, which can be done remotely.

### **5 Reporting a concern**

Where staff have a concern about a child, they should continue to follow the process outlined in the school Safeguarding Policy, this includes making a report via the safeguarding forms, which can be done remotely using the school's portal.

In the unlikely event that a member of staff cannot access their email from home, they should ring the School Office. This will ensure that the concern is received. Staff are reminded of the need to report any concern immediately and without delay.

Where staff are concerned about an adult working with children in the school, they report the concern to the Headteacher via email.

Concerns around the Headteacher should be directed to the Chair of Governors:  
Richard James [rjames@hopelands.org.uk](mailto:rjames@hopelands.org.uk)

## **6 Safeguarding Training and induction**

DSL training is very unlikely to take place whilst there remains a threat of the COVID 19 virus.

For the period COVID-19 measures are in place, a DSL (or deputy) who has been trained will continue to be classed as a trained DSL (or deputy) even if they miss their refresher training.

All existing school staff have had safeguarding training and have read part 1 of Keeping Children Safe in Education (2019). The DSL should communicate with staff any new local arrangements, so they know what to do if they are worried about a child.

Where new staff are recruited, or new volunteers enter Hopelands School, they will continue to be provided with a safeguarding induction.

If staff are deployed from another education or children's workforce setting to our school, we will take into account the DfE supplementary guidance on safeguarding children during the COVID-19 pandemic and will accept portability as long as the current employer confirms in writing that :

- the individual has been subject to an enhanced DBS and children's barred list check;
- there are no known concerns about the individual's suitability to work with children;
- there is no ongoing disciplinary investigation relating to that individual.

Upon arrival, they will be given a copy of the receiving setting's child protection policy, confirmation of local processes and confirmation of DSL arrangements.

## **7 Safer recruitment/volunteers and movement of staff**

It remains essential that people who are unsuitable are not allowed to enter the children's workforce or gain access to children. When recruiting new staff, Hopelands School will continue to follow the relevant safer recruitment processes for their setting, including, as appropriate, relevant sections in part 3 of Keeping Children Safe in Education (2019) (KCSIE).

In response to COVID-19, the Disclosure and Barring Service (DBS) has made changes to its guidance on standard and enhanced DBS ID checking to minimise the need for face-to-face contact.

Where Hopelands School are utilising volunteers, we will continue to follow the checking and risk assessment process as set out in paragraphs 167 to 172 of KCSIE. Under no circumstances will a volunteer who has not been checked be left unsupervised or allowed to work in regulated activity.

Hopelands School will continue to follow the legal duty to refer to the DBS anyone who has harmed or poses a risk of harm to a child or vulnerable adult. Full details can be found at paragraph 163 of KCSIE.

Hopelands School will continue to consider and make referrals to the Teaching Regulation Agency (TRA) as per paragraph 166 of KCSIE and the TRA's 'Teacher misconduct advice for making a referral.

During the COVID-19 period all referrals should be made by emailing [Misconduct.Teacher@education.gov.uk](mailto:Misconduct.Teacher@education.gov.uk)

Whilst acknowledging the challenge of the current National emergency, it is essential from a safeguarding perspective that any school is aware, on any given day, which staff/volunteers will be in the school, and that appropriate checks have been carried out, especially for anyone engaging in regulated activity. As such, Hopelands School will continue to keep the single central record (SCR) up to date as outlined in paragraphs 148 to 156 in KCSIE.

## **8 Online safety in schools**

Hopelands School will continue to provide a safe environment, including online. This includes the use of an online filtering system. Where students are using computers in school, appropriate supervision will be in place.

## **9 Children and online safety away from school**

It is important that all staff who interact with children, including online, continue to look out for signs a child may be at risk. Any such concerns should be dealt with as per the Safeguarding Policy and where appropriate referrals should still be made to children's social care and as required, the police.

Online teaching should follow the same principles as set out by Hopelands School usual policies and procedures

Hopelands School ensure any use of online learning tools and systems is in line with privacy and data protection/GDPR requirements.

Virtual face to face lessons should only be given with the explicit and individual consent of the Headteacher.

Below are some things to consider when delivering virtual lessons, especially where webcams are involved:

- No 1:1s, groups only;
- Staff and children must wear suitable clothing, as should anyone else in the household;
- Any computers used should be in appropriate areas, for example, not in bedrooms; and the background should be blurred;
- The live class should be recorded so that if any issues were to arise, the video can be reviewed;
- Live classes should be kept to a reasonable length of time, or the streaming may prevent the family 'getting on' with their day;
- Language must be professional and appropriate, including any family members in the background;
- Staff must only use platforms provided/ agreed by Hopelands School to communicate with pupils;
- Staff should record, the length, time, date and attendance of any sessions held.

## **10 Supporting children not in school**

Hopelands School is committed to ensuring the safety and wellbeing of all its pupils.

Where the DSL has identified a child to be on the edge of social care support, or who would normally receive pastoral-type support in school, they should ensure that a robust communication plan is in place for that child or young person. Children on the safeguarding register or classed as vulnerable will be assigned to a member of staff for a weekly check in by email. A record of that dialogue is copied to Steph Williams and will be followed up by senior staff if contact is not returned. In event of the assigned member of staff becoming ill, a second member of staff has been assigned to take over the contact.

Details of this plan must be recorded on the secure and private School database, as should a record of contact made.

The communication plans can include; remote contact, phone contact, door-step visits. Other individualised contact methods should be considered and recorded. Hopelands School and its DSL will work closely with all stakeholders to maximise the effectiveness of any communication plan. This plan must be reviewed regularly (at least once a fortnight) and where concerns arise, the DSL will consider any referrals as appropriate.

The school will share safeguarding messages on its website and social media pages.

Hopelands School recognises that school is a protective factor for children and young people, and the current circumstances, can affect the mental health of pupils and their parents/carers. Teachers at Hopelands School need to be aware of this in setting expectations of pupils' work where they are at home.

Hopelands School will ensure that where we care for children of critical workers and vulnerable children on site, we ensure appropriate support is in place for them. This will be bespoke to each child.

## **11 Supporting children in school**

Hopelands School is committed to ensuring the safety and wellbeing of all its pupils. Hopelands School will continue to be a safe space for all children to attend and flourish. The Headteacher will ensure that appropriate staff are on site and staff to pupil ratio numbers are appropriate, to maximise safety.

Hopelands School will refer to the Government guidance for education and childcare settings on how to implement social distancing and continue to follow the advice from Public Health England on handwashing and other measures to limit the risk of spread of COVID19.

Hopelands School will ensure that where we care for children of critical workers and vulnerable children on site, we ensure appropriate support is in place for them. This will be bespoke to each child and recorded on the School private and secure database.

Where Hopelands School has concerns about the impact of staff absence – such as our Designated Safeguarding Lead or first aiders – will discuss them immediately with the Local Authority.

## **12 Peer on Peer Abuse**

Hopelands School recognises that during the closure a revised process may be required for managing any report of such abuse and supporting victims. Where a school receives a report of peer on peer abuse, they will follow the principles as set out in part 5 of KCSIE and of those outlined within the Safeguarding policy.

The school will listen and work with the young person, parents/carers and any multiagency partner required to ensure the safety and security of that young person.

Concerns and actions must be recorded on the secure and private safeguarding database appropriate referrals made.
